SUMMARY

BCA student at Tribhuvan University with a growing focus on software development, web technologies, databases, and software quality. I learn by building practical applications and am currently developing skills with React, Next.js, PHP, MySQL, and modern development workflows. Interested in junior software development and QA opportunities

TECHNICAL SKILLS

- **Languages:** JavaScript, Python, Java
- **Frontend:** HTML, CSS, React.js, Typescript
- **Backend:** Node.js, Express.js, PHP
- **Databases:** MySQL, MongoDB
- **Other Tools:** Git, GitHub, VS Code

PROJECTS

Tournament Management System — Academic Project | PHP, MySQL, HTML, CSS, JavaScript

- Built a college-level tournament management system for tournaments, teams, players, schedules, results, notices, and standings.
- Designed database structures and role-based workflows for administrators, teams, and viewers.
- Developed and tested the application locally using XAMPP and MySQL.

Personal Developer Portfolio — Personal Project | Next.js, React, TypeScript, Tailwind CSS

- Developing a responsive portfolio to present projects, skills, learning progress, and contact information.
- Implemented reusable React components, responsive layouts, navigation, and light/dark theme support.
- Using the project to deepen understanding of Next.js and modern frontend development

EDUCATION

- **Bachelor of Computer Applications (Ongoing)**

Expected Year : 2028

Ratna Rajyalaxmi Multiple Campus/Tribhuvan University, Kathmandu

- **+2 / High School** [2022]

Viswa Niketan Higher Secondary School, Kathmandu

3.12 GPA

EXTRACURRICULAR / ADDITIONAL INFO

- Practical learning mindset and Problem solving
- Comfortable, frank and can adapt to new workflows
- Building and testing applications
- Strong interest in software development
